

First International StemNet Meeting

President: A. Pessina (GISM), Vice-President: M. Dominici (FiRST), Secretary: U. Galderisi (SCRI)
Members: E. Lucarelli (GISM), L. Lazzari (FIRST), O. Parolini (IPLASS), F. Alviano (IPLASS), R. Piva (SCRI)
Organizing Committee - StemNet Meeting 2021: M. Muraca, M. Pozzobon

Dear Invited Speaker/Chairman,

Due to the current evolution of the Covid-19 epidemics, the Scientific Board has decided to further postpone the Padova StemNet meeting. The new dates are from 22 to 24 September 2021. Based on the possible evolution of the pandemic in Italy, we hope that this period will guarantee us more opportunities to meet in person.

Please let us know if these new dates are feasible to you, since we would be very pleased to take advantage of your expertise and still count on your participation next year.

You will receive more information as soon as the new organization will be detailed. Meanwhile, please do not hesitate to contact us if you need any additional information.

Kind regards,

Augusto Pessina, Chair of StemNet Conference

Maurizio Muraca, Co-chair of StemNet Conference

Michela Pozzobon, Scientific Secretary of StemNet Conference
